

COACHING 14U

OUR 14U (“UNDER 14”) DIVISION IS FOR CHILDREN BORN IN 2012 AND 2013. MOST PLAYERS WILL BE 13 OR 14 YEARS OLD, A MIX OF MOSTLY 7TH AND 8TH GRADERS, WITH A FEW 6TH GRADERS WHO TURNED 12 DURING THE FALL SEASON. OUR REGION HAS SEPARATE BOYS AND GIRLS 14U DIVISIONS, BUT OPPONENTS MAY HAVE CO-ED TEAMS THAT PLAY OUR BOYS.

KIDS THIS AGE:

- ⚽ Are probably going through **puberty**, so expect rapid changes in their body and mood changes related to being more self-conscious
- ⚽ Like things to be **fair and just**
- ⚽ Strive to be more **independent** and therefore may show a bit more **defiance**

MANAGING A PRACTICE:

- ⚽ You will need to plan **two weeknight practices**
- ⚽ Practices run **60-90 mins** between 5pm-8pm
- ⚽ Parents are to ensure their child has their own **size 5 ball**, a water bottle, shinguards and shoes or cleats (also: no jewelry)
- ⚽ **Make a plan** – warmup, pair up for basic technical activities (passing, throw-ins, etc.), build up to small sided matches (2v2, 3v3), full-team **scrimmage**
- ⚽ Bring something new each week – get ideas for age-appropriate activities on our website [here](#)
- ⚽ Repeat the kids’ favorite activities and remind them throughout the season how they are getting better
- ⚽ Say, Show, Do, Review + **No laps, lines or lectures!**
- ⚽ Maximize the time they have their **feet on the ball**
- ⚽ **Development points:** passing strength & accuracy, advancing the ball, penetration, **charging & shielding**, using the full width of the field, crossing & finishing, **set plays on corner kicks, goal kicks and free kicks**, defensive help, offsides
- ⚽ Take frequent water breaks
- ⚽ Most importantly, **have fun!** It’s the #1 reason kids play AYSO soccer
- ⚽ Anytime you take the field with the kids, be sure to have a physical copy of each player’s **medical waiver**
- ⚽ Your call on **inclement weather**, but leave the field immediately if you hear thunder or see lightning; only return 30+ mins after last thunderclap
- ⚽ For every practice and game, Coach is the last one to leave the field

YOUR REQUIRED TRAINING:

- ⚽ No soccer experience necessary
- ⚽ Most can be done **online** from your couch 😊
- ⚽ Must complete: Safe Haven, Concussion Awareness and Sudden Cardiac Arrest – all on ‘AYSO’; Safesport requires a separate login
- ⚽ Must also complete **in-person 14U ‘intermediate’ coaches training** administered by a certified trainer
- ⚽ Background check and training paid for by AYSO
- ⚽ Full details for registration, certification and training can be found on our website [here](#)

GAME TIME:

- ⚽ Games are scheduled for **1 hour 30 mins on Saturday**
- ⚽ We play **11v11** (10 position players + 1 keeper)
- ⚽ **35 minute halves** + quarter breaks determined by refs
- ⚽ Make a **lineup** before the game: **Everyone Plays** at least two quarters; okay to specialize
- ⚽ Connect with the opposing coaches before the start of the game
- ⚽ A **referee** will be provided by AYSO
- ⚽ Respect the ref! No one should be challenging calls
- ⚽ **“Live” substitution** is allowed on stoppage of play
- ⚽ Endline out of bounds = **goal kick** or **corner kick**;
Sideline out of bounds = **throw-in**
- ⚽ **Free kicks can be direct or indirect** depending on the foul; kick is taken from the spot of the foul
- ⚽ Expect **handball** to be called if a player intentionally handles the ball or makes their body “unnaturally bigger” with their arm; accidental contact is not a foul
- ⚽ **Keeper** can punt, roll or toss the ball to a teammate
- ⚽ All players: **heading is allowed** but no slide tackles
- ⚽ **Offside** is called only if a player has an advantage (behind the last defender) when ball is played to them
- ⚽ You set the tone for your team: **keep things positive!**
- ⚽ Coaches coach, Parents cheer! (See [Parent Pledge](#))
- ⚽ **Good Sportsmanship:** shake hands, thank the ref
